To: Clubs, Schools and Section Offices, (and any other non-skater, non-coach category we have)

Greetings Skate Canada Family,

Skate Canada's ACGM is quickly approaching – did you register yet?

This year's focus is about learning, networking and sharing your experiences with the rest of the country. From CanSkate Live to the Achievement Awards and Gala you will see many people from yesterday, today and tomorrow who contribute to our Defining Moments.

An additional reminder that the 2009 AGM delegate and proxy forms will be accepted by fax or mail until May 29, 2009; otherwise they must be presented at the ACGM registration desk in Edmonton.

Registration closes Friday May 15th at 16:30 ET. [Click here](#) to register now!
