

Memorandum to BC/YT Section Clubs

It has been brought to our attention that some clubs are 'rounding off' the Skate Canada Registration and Insurance fees and are calling them Administration Fees.

If this is the practice at your club, the registration form must read: Administration fee includes the Skate Canada Registration Fee of \$32 plus insurance premium of \$.65

It is mandatory that members are accurately advised of the Skate Canada fees and any additions be noticeably explained on the form.

Gail Weber, Membership Chair
